

Strategic direction for the Egyptian Vulture Flyway Action Plan

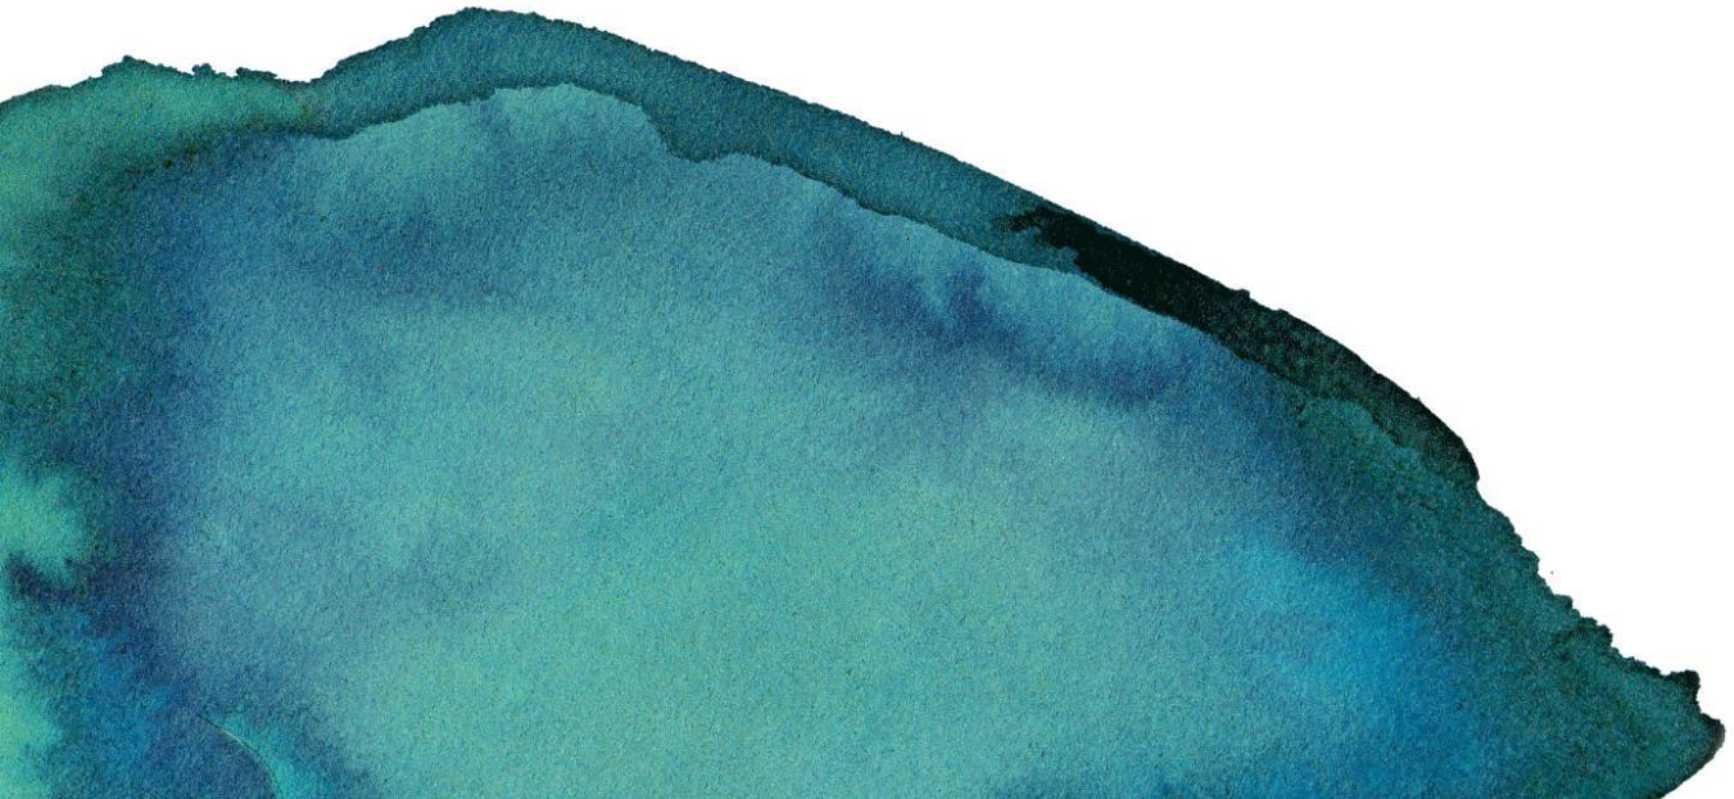

Four pillars of Egyptian Vulture conservation

12

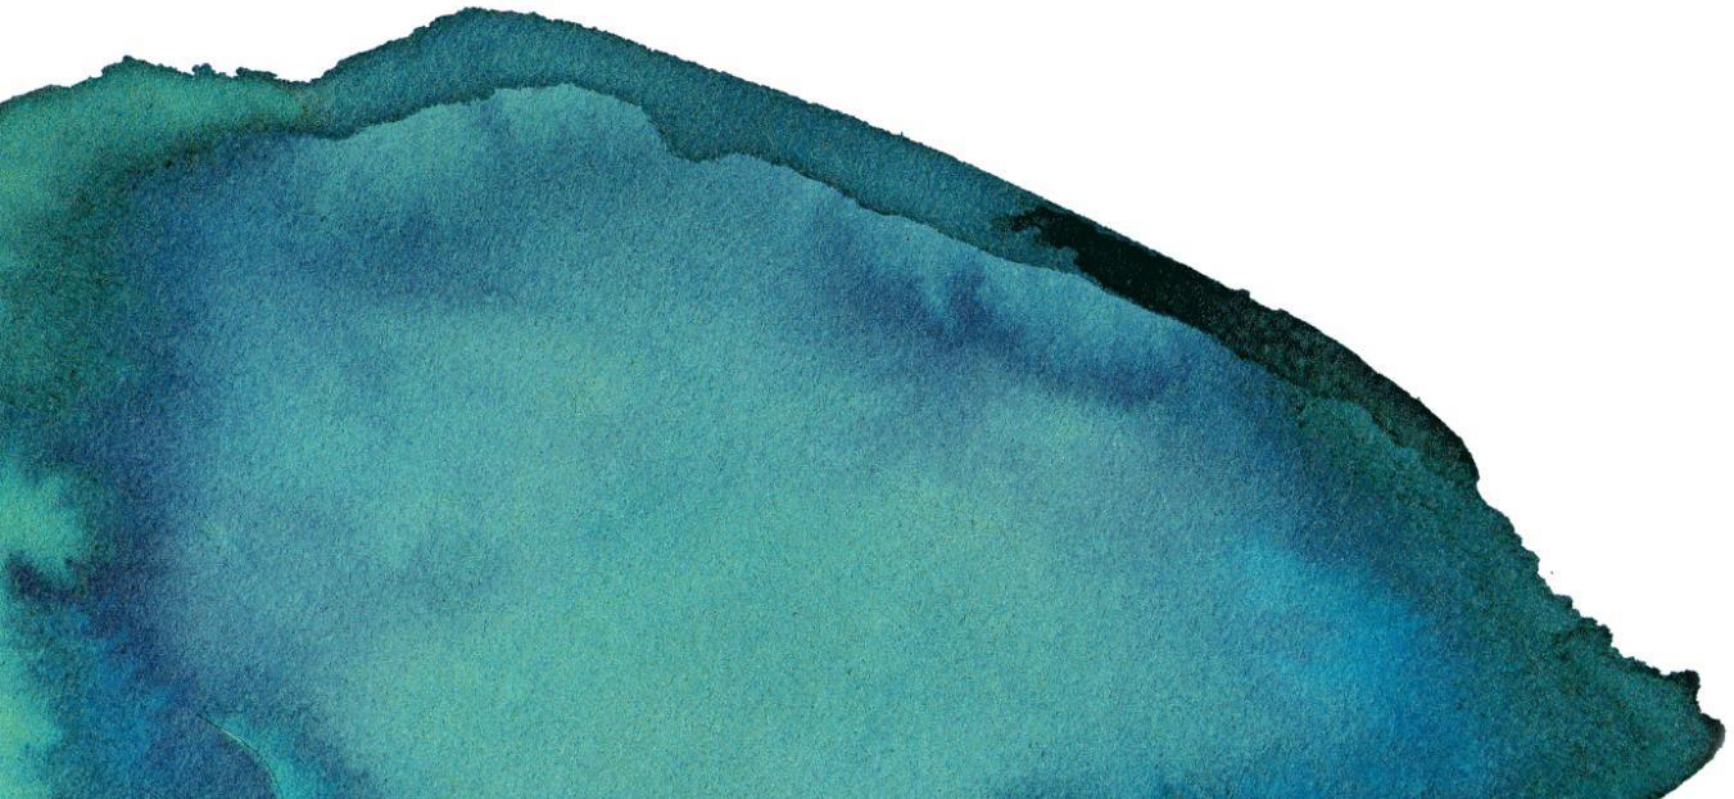

Planning of conservation objectives and actions

Objectives	Example objective 1		
Results	Result 1	Result 2	Result 3
Actions			

15

Identification of opportunities for collaborative actions

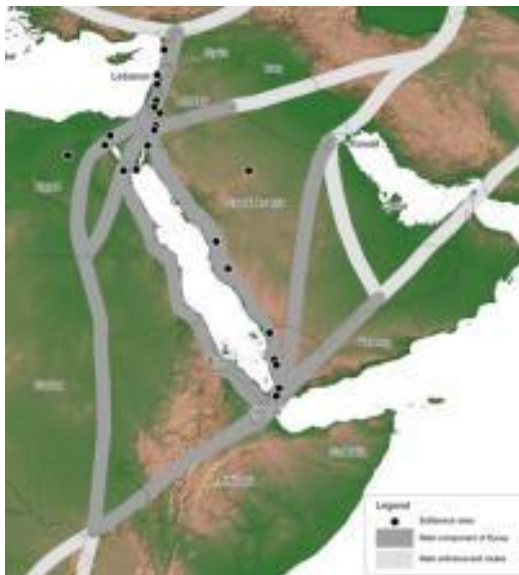

Opportunities for collaboration

- Saving African Vultures - Investigating drivers of population declines and building capacity for conservation (BirdLife Africa)
- Pan-African Vulture Conservation Strategy: policy and public awareness

Flyway actions

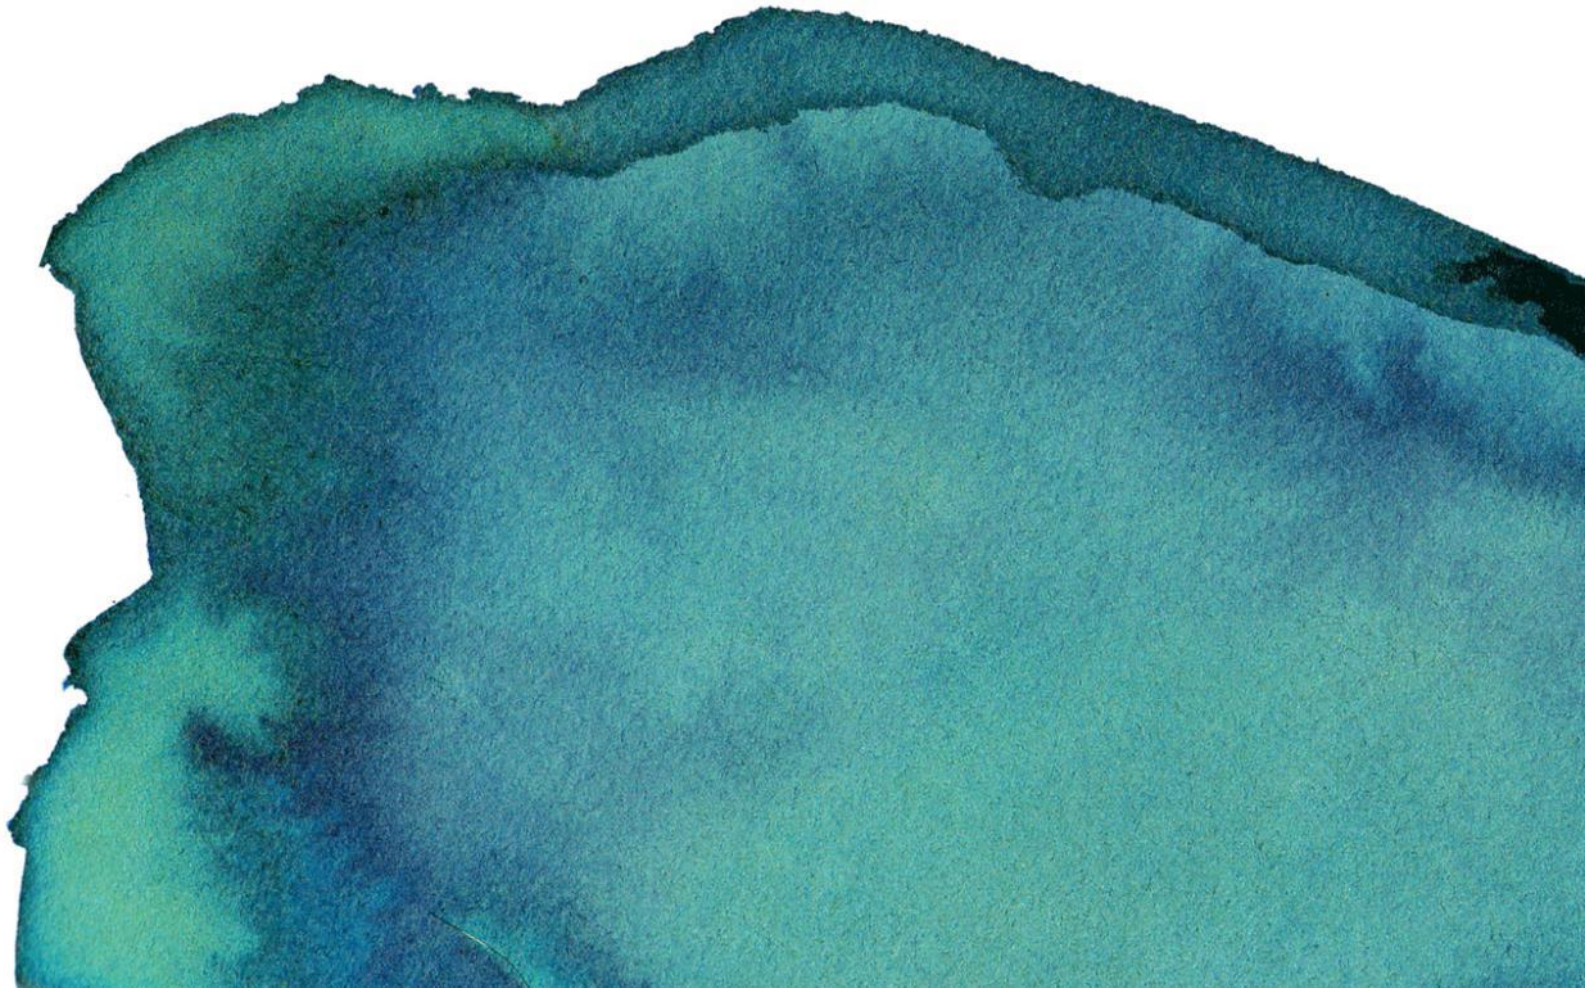

- Migratory Soaring Birds Project - Sensitivity map
